Authorized Training Center

RR-T 54000576 D. Schröder

Master Instructor Signature

This certificate is your official notification of meeting all the necessary requirements to be a Certified IPC Trainer (CIT) in the industry developed and approved IPC-7711/IPC-7721 Rework and Repair Training and Certification Program. You may now use the CIT designation on letterhead, business cards, and all forms of address. Authorization to convey Application Level certification is granted, and continuing certification status of the instructor is conditioned on providing the training and skills assessment using the industry approved IPC Training Materials in accordance with and to the requirements of the IPC Training and Certification Policy.
